**REQUEST FOR CERTIFICATE OF CORRECTION OF OFFICE MISTAKE
UNDER 37 CFR §1.322**

Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

It is hereby certified that certain errors appear in the above-identified U.S. patent. The corrections to be made are presented on the attached PTO-1050 form (in duplicate).

The requested corrections are being made to correct errors in the claims of the patent, where such errors were made by the USPTO. These corrections make the claims consistent with the claims presented in Applicants' Office Action Response, received by the PTO on December 15, 2005. Regarding claim 55, the corrections add back into the claim one word that the Examiner left out in the Examiner's Amendment in the Notice of Allowance mailed by the PTO on April 13, 2007.

Pursuant to 37 C.F.R. § 1.322(a)(1)(i), the undersigned representative of the patentee or the patentee's assignee, requests that a Certificate of Correction be issued.

No fee is believed due in connection with this paper. However, the Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 50-0727 for any matter in connection with this paper, which may be required.

Respectfully submitted,

By: 

Peter P. Tong
